

LEARNINGMETHODS TEACHERS

The following teachers are all certificated to teach the LearningMethods and Anatomy of Wholeness work. Many of these teachers give workshops in many different cities and countries—see the LearningMethods web site for details of upcoming workshops:

www.learningmethods.com

There is a listing on the next page of the senior Apprentice Teachers near the end of their training who are qualified to give unsupervised sessions (usually at a reduced fee).

CANADA

- David Gorman** Workshops in various cities of Canada (based in Toronto)
 +1 416-519-5470 e-mail: david@learningmethods.com
